PRIMESITEUK MEDIA KIT

ABOUT US

We're a small, dedicated digital marketing agency helping our listed clients get the best digital marketing experience 'shouting out loud' their product and/or service message - **online 24/7**.

We promote our clients to three major social media platforms - Facebook, Pinterest and Twitter - **every day!**

OUR MISSION

We aim to provide the best services to our clients. With every campaign we create, we help our clients toward achieving their marketing goals. We put our best work forward to maintain the standards we've set for ourselves.

THE FACTS

- 15 years of digital marketing experience,
- We cover all aspects of digital marketing,
 - Over 976 long term clients worldwide,
- We offer listing ads and banner marketing services,
- Hosting and website services from just £25 per month.
